PREPARATIONS FOR MAILING—Parcels must be prepared for mailing in such manner that the contents can be easily examined. (See secs. 19 to 37, inclusive.)

A parcel must not be accepted for mailing unless it bears the name and address of the sender, preceded by the word "From."

Postmasters will refuse to receive for mailing parcels not properly indorsed or packed for safe shipment.

WHERE MAILABLE—Parcels must be mailed at a post office, branch post office, named or lettered station, or such numbered stations as may be designated by the postmaster, or delivered to a rural or other carrier duly authorized to receive such matter.

Parcels collected on star routes must be deposited in the next post office at which the carrier arrives and postage charged at the rate from that office.

INSURANCE ON PARCELS—A mailable parcel on which the postage is fully prepaid may be insured against loss in an amount equivalent to its actual value, but not to exceed $25, on payment of a fee of five cents in an amount equivalent to its actual value in excess of $25, but not to exceed $50 in payment of a fee of ten cents in stamps, such stamps to be affixed.

UNMAILABLE MATTER—The following matter is declared nonmailable by law (see secs. 211, 212 and 217 of the Criminal Code of the United States, approved Mar. 4, 1909):

1. Matter manifestly obscene, lewd or lascivious; articles intended for preventing conception or procuring abortion; articles intended for indecent or immoral purposes; all matter otherwise mailable by law, the outside cover or wrapper of which bears any delineations or language of a libelous, scurrilous, defamatory or threatening character.

Spirituous, vinous, malted, fermented or other intoxicating liquors of any kind; poisons of every kind, and articles and compositions containing poison (except as prescribed in sec. 19); poisonous animals, insects and reptiles; explosives of every kind; inflammable materials (which are held to include matches, kerosene oil, gasoline, naphtha, benzine, turpentine, denatured alcohol, etc.); infernal machines, and mechanical, chemical or other devices or compositions which may ignite or explode: disease germs or scabs (except as prescribed in sec. 36); and other natural or artificial articles, compositions or materials of whatever kind which may kill or in any wise injure another or damage the mail or other property.

Pistols or revolvers, whether in detached parts or otherwise; live or dead (and not stuffed) animals, birds or poultry (except as prescribed secs. in 29 and 34); raw hides or pelts, guano or any article having a bad odor shall not be admitted to the mails.

A parcel post map and guide for determining postage rates may be obtained by remitting 75 cents by money order to the chief clerk, Post Office Department, Washington, D. C.

Be careful to specify the city or town where the map is to be used.

Further information may be obtained at any post office.

NOTE.—Mail matter for Hawaii, Porto Rico, the Philippines, the Island of Guam and Tutuila, the "Canal Zone," and the City of Shanghai, China, is subject to the domestic rates and conditions.

The fee on any foreign registered matter is fixed at 10 cents on each letter or parcel, to be affixed in stamps in addition to the postage. Two or more letters or parcels addressed to or intended for the same person cannot be tied or otherwise fastened together and registered as one.

Foreign Mail Matter Rates of Postage—The rates of postage applicable to all foreign countries, other than Cuba, Canada, Mexico, and Panama, to which the domestic postage rate applies, are as follows: Letters, for the first ounce or fraction of an ounce,* 5 cents.
